MEMORANDUM FOR ALL NIC PERSONNEL

As I imagine you know by now, I will be leaving the NIC at the end of August to return to Stanford University. The Director has appointed Bob Gates as Chairman of the NIC in addition to his present job as Deputy Director for Intelligence; however, the NIC and the DDI will remain institutionally separated. I have asked Bob to sit down with us at Friday's 0830 staff meeting to give us his views on how he proposes to operate.
